(Strong compatibility: Stereo music wireless transmission can be achieved through any Bluetooth device.)

CSB Bluetooth 4.0 + APT- X

APT- X lossless audio decoding

APT- X audio compression technology provides CD- quality stereo audio via wireless Bluetooth connection;

APT- X technology demonstrates superior Bluetooth stereo audio connection quality,
full frequency band width and high - fidelity audio performance.

1GS1* AURA

This all in one office and home unit proves to be the most complete table accessory yet!

The powerful speaker boasts a rich and booming sound making any office room sound like a private recording studio. The NFC function enables you to pair your phone with the Bluetooth speaker in a flash by simply tapping your phone on the NFC logo on the device, while still supporting Aux input for the more traditional phones and MP3 devices. The innovative Qi Standard wireless charging station serves as a comfortable spot for your smartphone to rest and recuperate, while still allowing your companion devices to be charged from the additional USB ports provided. The seamless digital display in the front allows you to view the time while still maintaining the arty shape and feel of Aura. The alarm function reminds you when you have that important meeting with a client that you can't be late for. The controls on the top and back provide all the standard functions for the clock and Bluetooth speaker creating a more user-friendly experience.

Independent
Sound Chamber

Dual - channel independent sound chamber, Enjoy 360° surround sound field.

*Qi standard chargers work with all the latest Android and iOS devices like the iPhone 8, iPhone X, Samsung S8 etc.
For smart devices that do not support wireless charging, adaptors (wireless receiver modules) are available at an additional cost.

15 GS 1 SMOOVIE

Super steady videos and pictures for smartphones and HD Video Cameras/GoPro

Smoovie is a video stabiliser that fits in your pocket, is easy to use for all abilities and the most affordable option for recording smooth videos on the go!

Traditional video stabilisers are much bigger and heavier, with tricky and time consuming set up. Instead of relying on weight and friction Smoovie cleverly uses magnetic force, allowing anyone to record smooth videos without all that bulk.

Just pull out the telescopic counterweight balance to the marker for your smartphone or GoPro and Smoovie calibrates itself!

FEATURES

1. Holds All popular Apple, Android and Windows smartphones up to 86mm in width and 225 grams in weight.
2. All GoPro models
3. Pocket video stabiliser
4. Magnetically damped 3-axis gimbal
5. Telescopic adjust balancing weight

GRAVITY DEFYING LEVITATING BLUETOOTH SPEAKER

23 GS 1 AIR SOUND 360

A Revolutionary & Magical bluetooth Speaker with NFC

This beautiful, glossy and ergonomically designed speaker floats in air rotating by itself and gives a 360° flowing loud surround sound owing to ZERO obstructions and reflections from surroundings. The beauty of the speaker lies in the aesthetic red glow it emits from the top and the sides. An eye-catcher in any room, party or event. The base has plenty of space for branding and since the speaker will be the center of attraction everywhere, the branding is sure to be noticed more. The speaker orb can be used without the base as well.

Speaker Size: 8.5 x 8.5 cm Weight : 389g

Base Size: 14. 8 X 2.7 cm Weight : 658g

THE HUMANOID ROBOT | PROGRAMMABLE, EDUCATIONAL & ENTERTAINING

Compatible with iOS & Android

Highly precise. Humanoid robot has 16 servo joints, which can move with high precision, thus enabling it to perform various highly complex actions with ease and achieve human simulation.

25 GS 1 HUMANOID ROBOT

The first humanoid robot designed for the family

The Humanoid Robot is a household robot with a potential for development and interactive entertainment. It is perfectly designed with high-precision servo joints and editing software for 3D visual motions, which can be seamlessly controlled in one application.

It has a wide range of applications in different areas such as entertainment, education, household, research and media. The application allows users to program the robot without PC software. Sequences of movements can be saved directly in the application making it much easier to program the robot.

Learn from your robot; it will demonstrate yoga moves, exercise moves, kung fu moves, dancing, and much more! Download and share your content with other users

9 MAJOR FEATURES ABOUT HUMANOID ROBOT

1. Advanced Engineered Patented Servo Joints.
2. Aluminum alloy with Pure White Servo Armour.
3. Anti-Pinch Structure Design.
4. Quick Charge and Long Play Time.
5. True Enhanced Structure.
6. 3D Visual PC Software for Beginners to Advanced Programmers.
7. Intelligent Bluetooth 4.0 Control.
8. APP Control Program Feature.
9. Compatible with iOS, Android, and PC

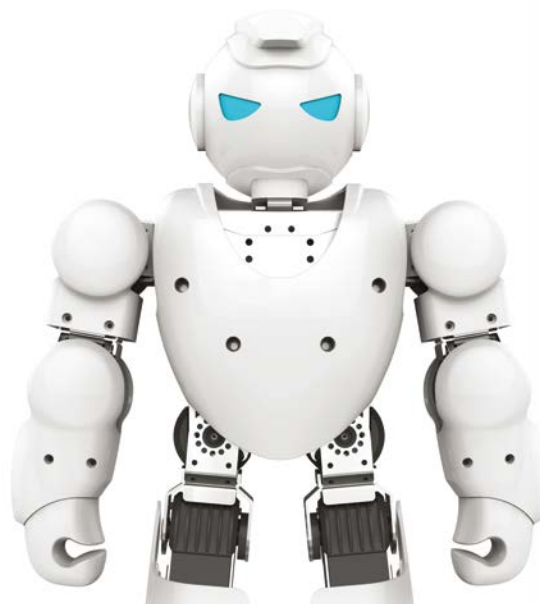

Size : 39.8 x 20.8 x 12.2 cm Weight : 3150g

42 GS 2 AIRBUDS

Wireless Sport earbuds with On-the-Go charging case

Experience up to 3 hours of music or talk time, with an additional 6 hours with the on-the-go charging case included. Whether you are a seasoned athlete or simply enjoy fitness, relish in the freedom of true wireless and easy connectivity to your Android or iOS smartphone.

The buds come bundled with a small, cylindrical pod made from plastic which acts as storage and charging device for the buds. Its got built in 500mAH battery which allows for the earbuds to be charged On-the-Go without any power source.

As wireless earbuds are notoriously fiddly and easy to lose, the concept of having a secure carry case that can also charge up the earbuds is a great approach.

42 GS 3 FOLDABLE HEADPHONES

Cushioned Stereo Wired Headphones

These headphones come with a folding headband and padded over-ear cups which give a clear sound and reduce ambient noise. They can be used with phones, tablets and all music players which come with a 3.5 mm audio jack.

42 GS 4 AIRPHONES

Light Weight earphones

These earphones can be used with phones, tablets and all music players which come with a 3.5 mm audio jack. Includes a handy storage box. No Mic.

42 GS 5 SPIRAL EARPHONES

Bluetooth Wireless Stereo Sports earphones

The Spiral earphone will stay in your ear under any circumstance. The earplug spirals around your ear due to the ergonomic design. Ideal for running, biking or other sports.

Moleskine brand is synonymous with culture, travel, memory, imagination, and personal identity--in both the real world and the digital world.

It is a brand that encompasses a family of nomadic objects: notebooks, diaries, journals, bags, writing instruments and reading accessories, dedicated to our mobile identity. Objects that follow us everywhere we go and identify us wherever we are in the world. Moleskine objects are partners for the creative and imaginative professions of our time. They represent, around the world, a symbol of contemporary nomadism.

120 GS 2* MOLESKINE

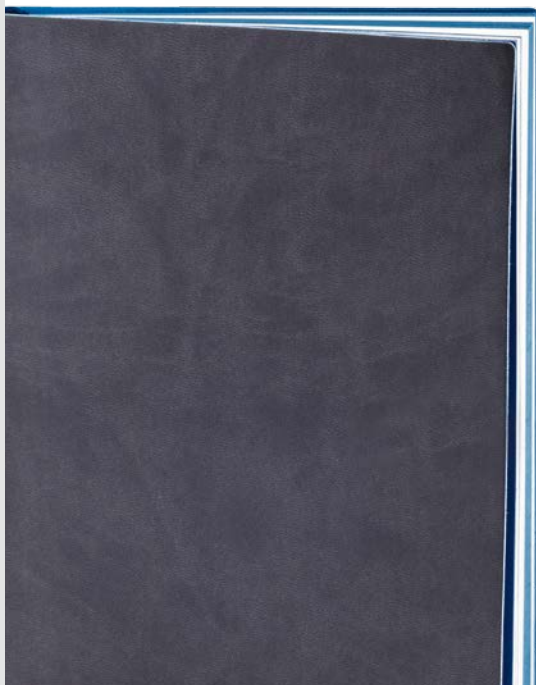

This black basic, yet classic Ruled notebook is one of the best selling Moleskine notebooks. This reliable travel companion, perfect for writings, thoughts and passing notes, has a cardboard bound cover with rounded corners, acid free paper, a bookmark, an elastic closure and an expandable inner pocket that contains the Moleskine history.

Travel set with eye-mask, ear plugs, neck pillow and travel socks.

178 GS 1 MAGNETO

Small round universal magnetic car vent mount for holding phones

178 GS 2 T CHARGER

Stylish and small dual USB car charger for charging 2 devices simultaneously and nice clean space for branding on the front and top

178 GS 4 PIVOT CAR CHARGER

Rotatable key chain which turns into a single output car adaptor to charge your phones while travelling. The USB slot which comes by default in modern cars is usually for playing music although it does charge the phone very slowly. This car adaptor charges the phone fast with the 1000mAh/5V output.

178 GS 3 TORCH KEYCHAIN

Torch with a Keychain

Single LED rechargeable USB torch with twist-action on/off power switch and metal split key chain.

179 GS 1 RETRACTABLE CAR CHARGER

No need to carry separate cables for each of your devices. This compact car charger has inbuilt retractable cable with outputs for all your smart phones. The cable is detachable and is tiny enough for you to take along with you or to insert separate USB cables in the charger. The output of 2A charges phones and tabs quickly

INPUT : DC 12-24V
OUTPUT : DC 5V-2A
Cable length: 75cm
Compatible with: iPhones, Tabs & MicroUSB
Material: PC+ABS

179 GS 2 DUAL USB CAR CHARGER

A simple car charger with 2 USB outputs and a cool light at the top

179 GS 3 UNIVERSAL CHARGER - POWERBANK

Charge any phone or electronic device with just one Universal Charger. Whether you are looking for the perfect travel companion or a spare home/office charger, the new Universal Charger fits the bill perfectly. Charge the Universal Charger's built-in battery via USB or a standard power outlet to charge your Smartphone on the go! The 2 port USB Charger has 1 Amps of output - allowing you to charge multiple devices all at the same time.

SPECIFICATIONS

Battery Capacity : 2800mAh
Input : AC 100-240V~50/60Hz 0.15A DC 12V~24V
Output : AC 5V/1A DC 5V/1A
Power Bank Output DC 5V/1A
Product Dimensions : 79 x 65 x 28.5 mm
Weight : 144g

180 GS 1 UNIPLUG

The unique uniplug one-piece design offers travel convenience. The all new twist and release mechanism allows the user to select four different socket styles effortlessly. It works in over 150 countries and has a USB charger to power up your mobile devices

180 GS 2 WORLD TRAVEL ADAPTOR

A compactly designed World Travel Adaptor with dual USB.

All pins open on the same side for convenience and ease of use. The plug output and the dual USB outputs can be used for charging multiple devices simultaneously unlike other travel adaptors where either plug output or the USB Output can be used, one at a time and not together. The world pins come with a safety lock as well. The glossy finish on the adaptor and compact form make it an excellent choice as your travel companion. Works in over 150 Countries. USB Output 2.1A

180 GS 3 UNIVERSAL

This universal travel adaptor helps you with power supply wherever you travel. The simple compact design works in over 150 countries around the world

181 GS 1 LIGHTUP TRAVEL ADAPTOR

Multi country travel adaptor with seperatable units and Dual USB output with a lightup logo at the top available in White and Black colours

Schwarzwald

199 GS 1*

SCHWARZWALD UV POLO

Stay cool, stay dry, stay protected.

Whether you are trekking in the forests, journeying through the desert or out in the sun for activities, you need an attire that befits the adventure!

Our UV protected polos with moisture management have Cotton inside and Polyester outside that give added comfort and stretch needed in a polo.

Made from the finest raw materials- Super-combed Cotton and Micro-Polyester, our fabrics are tried and tested in every weather conditions.

Created by our team of technical experts who have mastered the art of making apparel that know how to perform – whether in a forest or in a desert or on the road.

Schwarzwald UV is leagues ahead of the existing apparel available in the market and takes SUN PROTECTION apparel to the next level!

- Performance Polos made from superior combination of Cotton and Micro Polyester
- Subtle contrast tipped collar/cuff/placket/Side slits for a Corporate look
- Double textured fabric has outer layer in Micro-Polyester that gives the luster and crispy look of an elegant polo and inner layer has the softness and comfort of cotton
- Moisture Management Property pulls the moisture (sweat) out of the skin and transports it to the outer layer. With evaporation, the temperature drops inside the micro-environment creating a significantly cooler feel on the inside while the outer layer remains as fresh as when first worn
- UV treatment blocks UVA and UVB rays protecting the skin from the harshness of the Sun.

We use Rayosan® from Archroma (formerly Clariant, Switzerland), inherited from leading European companies dating back to 1886!

Archroma's range of dyeing auxiliaries provides highest process safety and optimized right-first-time performance.

Rayosan® deflects UVA and UVB rays like a mirror. It strengthens the fabric's ability to block harmful UV rays from reaching the skin without altering the colour, resilience or breathability of the fabric. This innovative fabric assures maximum broad-spectrum UV- protection, either wet or dry.

* Skin Cancer Foundation, USA encourages the use of innovative fabrics that have been specially treated with UV absorbers to protect your skin.

219 GS 1 CHOCOLATES & DATES

We all are crazy about chocolates. There would hardly be someone who doesn't like chocolate. It is not only delicious but also healthy in moderation. It is produced from cocoa seeds and classified according to a lot of standards and methods. It rejuvenates the mood just by its natural aroma.

Therefore, chocolates make a very good gift to everyone. No matter what kind of products one is using; the end product has to be attractive, well balanced in flavors and professionally finished.

Our partners specialise in crafting not only the highest level of chocolates. They develop tailor made products pertaining to the customer's needs from the mould design to chocolate recipes and the various boxes needed for sales in retail environments, hotels, restaurants, caterings, yearly events and celebrations. They offer their expertise owing to the years of experience, testing, trials, research, tasting and working with a large variety of chocolates.

We, with our wide and in depth experience about company set ups, product range creations, supplier definition, management skills, recipe creations, branding experience, Middle Eastern Market knowledge, marketing & sales presence, will be your best choice to offer you the right selection of chocolates and dates as gifts.

Chocolates and dates available from VON GYSENSTEIN (Swiss Chocolateirs), PATCHI and various other brands
